Athlete Information

Congratulations on securing your place in the 2018 Martock 10k. Entries sold out more than two weeks before race day for this increasingly popular mid-season flat, fast 10k. If you are chasing a personal best, fundraising for a chosen charity or running 10k for the first time, we wish you a safe and enjoyable race.

Fire Service

We are very fortunate to have the continuing support of Devon and Somerset Fire and Rescue Service, who you will see on race day, do a huge amount to help make the event run safely.

The Fire Station is active, and should there be an emergency call, this will take priority over the race.

Race Permit

The race is run under a permit issued by the Association of Running Clubs. 18/192

Parking

There is a reasonable amount of parking within easy reach of the start. Please where possible either car share or walk to the start. Please **DO NOT** park in Coat Road (the Fire Station is in Coat Road).

A walking route from this car park will be marked.

Or there is parking in Martock Recreation Ground TA12 6AF, which is around 1.2km from the start or Moorlands Park TA12 6DH which is around 700m from the start.

Be sure to get parked in plenty of time to make the pre-race briefing
